- ✔ Time limits – entire test or individual entries
- ✔ Custom courses – perfect for school curriculum mapping
- ✔ Test & course 'groups' for easier navigation
- ✔ Enhanced reports

# Student Tasks

The new student 'Home' area shows all tasks, tests and courses that have been assigned to each student. Importantly, the most urgent tasks are right at top of the list.

Students can see their most recent practise and task activity, complete with scores and timing information. Message from their teacher appear right below! Historical practise, test and course results are also available, allowing students to review their progress over time.

The screenshot shows the Auralia 5 interface. The top navigation bar includes icons for Home, Practice, People, Messages, Syllabus, Tests, Courses, Reports, Library, Notation, Settings, and Help. The main content area is titled 'Test Jazz Aural - Level 1' and features a 'START' button and a 'RESUME' button. Below these are 'Details' and 'Attempts' sections. The 'Details' section provides information about the test, including the number of entries, questions, time limit, and timeslots. The 'Attempts' section shows the maximum and remaining attempts. A table below displays the test results for various tasks, including Interval Recognition, Jazz Scales, Jazz Scale Singing, Jazz Chords, and Jazz Chord Imitation/Singing.

Entry	Questions	Plays	Secondary Plays	Time
Interval Recognition, Level 1 Jazz	5	5	N/A	N/A

# Singing

Singing support in Auralia 5 has been dramatically improved with a new microphone setup wizard to help each student set their optimum input level, ensuring accurate pitch assessment

- ✔ Improved recognition, less sensitive
- ✔ Custom vocal ranges for each student
- ✔ Setup wizard

We also now allow students to hear back their singing after it's assess, an absolutely fantastic tool for student review!

The screenshot shows the 'Chord Singing Drill' interface. It features a microphone icon and a progress bar with six dots, three of which are red. The instruction 'Sing the chord from the given starting note.' is displayed above the chord 'Major (1st inversion): ASCENDING'. Below the progress bar, there is a 'Replay' button and a 'Start' button.
